Missionary Highlight

Brent and Christine Ralston:
World Vision Ministry:

We had a vacation of a lifetime as we traveled to Turkey and Israel December 8 - 29. So many highlights. Spent Christmas Eve in Bethlehem. It was truly an unforgettable experience and we are so thankful to God for the experience.

New Life Community Church has a goal of sending out 10 missionaries by 2020. Glenda Tuling will be our first, as she goes to the unreached peoples of Cambodia.

Thank you for your prayers and partnership through the past year. Although we are pleased with what God allowed us to accomplish, we are very aware that, "activity does not equal achievement." We had 8 new church planters in 2011 and our goal is to recruit 4 new church planters for 2012.

We continue to raise money for our Micro Finance Revolving Loan Fund. It has been very successful.

Please pray for Brent as he will be teaching a 12-week class on "Teaching the Christian Faith" and Chris will continue teaching a Women's Bible Study. Also please pray, for a team of seven from the Calvary Baptist Church in Baker City, Oregon helping with a Church Partnership Evangelism campaign with some of our local churches.

We will be having our Annual Family Meeting and potluck today following the morning worship service. We will be voting on the new budget and various committees.

STUDENT MINISTRIES

IMPACT

Everyday after school this week we will be providing a place for prayer, snacks, and spiritual discussions for middle school and high school students.

We need your help to do this well! We need people to be available Monday through Friday to set up and be there to interact with young people **(2:00-3:30 pm, please dress warm)**.

We are doing this to step out and serve teens in Jesus' name. Our plan is to set up shop in the north parking lot outside our main building, hand out free warm beverages, and initiate spiritual conversations or prayer time with teens. The idea is to be a smiling face and be available to talk.

If you plan on coming, please indicate *which days* on your *communication card* and drop it in the offering plate. If you are unable to join us after school any of those days, consider making some cookies or other snacks for us to give out during that week. We also need people to be a part of focused prayer for this. We are trusting God to use this to offer help to teens and build bridges into the teen community."
