

# Prayer requests for camp

## MARKED

**Please pray:**

- For God to grant safety on the road and while at camp.
- For God to open hearts to who He is, who they are in Him, and His leading.
- For God to show the young people that they are marked for Him and therefore identified as His.
- For the Teens to live a life worthy of their calling.
- For the Teens to see God wants to use them in bigger ways than just living for themselves.
- For God to bring about lasting, heart transformation in the lives of our teens.
